

Etik Plast Appeared at the Rubber Eurasia Fair

Etikplast is a reliable raw material supply company that has proven itself in many countries of the world and Turkey.

With more than 30 years of experience, we continue our innovative approach by meeting the needs of the cable and plastic industry, and we are revising our product range in accordance with the age day by day. This year, we were honored to host you, our visitors, at the Rubber Eurasia Fair, where we were a participant in this context.

As always, we are honored to offer quality, fast and economical products to our valued customers.
